Case - Timothy N. Pfeiffer,
Subject - Homicide, New Brunswick, N.J.,
Investigation - Mr. DeM.

DEM / Sweeney, Parker

February 3, 1923. Met Mr. Sweeney and in conference with him.

Mr. Sweeney told me that the conversation he had with Mr. Parker was about his paper having engaged Judge Eugene Waite - That Waite was able to establish that the shots which killed Mr. Hall and Mrs. Mills were fired from a revolver and not an automatic. That Waite represented "The World" in this investigation, and that he (Sweeney) in talking to Mr. Parker offered to turn over the information which Waite had secured in trying to ^{solve} sell the case.

Mr. Parker told Mr. Sweeney that Charlotte had been down to see him; and that he was not really assigned to the case.

Mr. Parker did not discuss Jim Mills' end of the case with Mr. Sweeney, if anything he suggested the Gibson end of the case. Otherwise Mr. Parker did not tell much to Mr. Sweeney.

Mr. DeM. had lunch with Mr. Sweeney.
